1. Silent Word

Surely commanding  
Light for the seeing  
Loving a world into being  
Thou  
Thou  
Eye in the darkness  
Might in the vastness  
Song of the morning stars

2. Night at noon

Blood on a hilltop  
Crying in sorrow  
Opening the tomb of tomorrow  
Thou  
Thou  
One with our sadness  
Wine for our gladness  
Bread in the open hand

3. Wind and flame

Rushing and mighty  
Smoke in the heavens  
Young folk and old seeing visions  
Thou  
Thou  
Fire for our faintness  
Ground of our greatness  
Word in the waiting throng

4. Fools of God

Wiser than wisdom  
Stumbling and feeble  
Daring to live as your people  
Thou  
Thou  
Power in our meekness  
Perfect in weakness  
Throne of the humble heart
